!!

What are you doing?!

Get that!

Siren

Ah.

Madam!

Lord Rokan?

He left a while ago.

Oh? Already?

Lao..?

Hmm...

THUD

Oh, that girl is...?

Ah, mother. I...

I brought her. I was going to tell you, but you had a guest...

I ran into her in the forest. She... seems to be lost.

I... would like her to stay here until we find her parents.

당

She needs to be taught some manners.

I think she's been living alone for many years.

I don't think she knows etiquette. Hahaha...

I just want her to stay here for a bit. Is that okay?

One of the qualities of being a noble is to know when to give.

It's good that you know that already.

My good son.

We have plenty of empty rooms on the first floor. Let her stay.

Yes!

I knew mum would let me.

I have a meeting this evening. I'll be late.

Please take care.

Hey!

Ah?

Where are you going? Wait!

What was that about... Where did she go?
